

Changes to the Side Menu in learningBOX Ver. 2.30

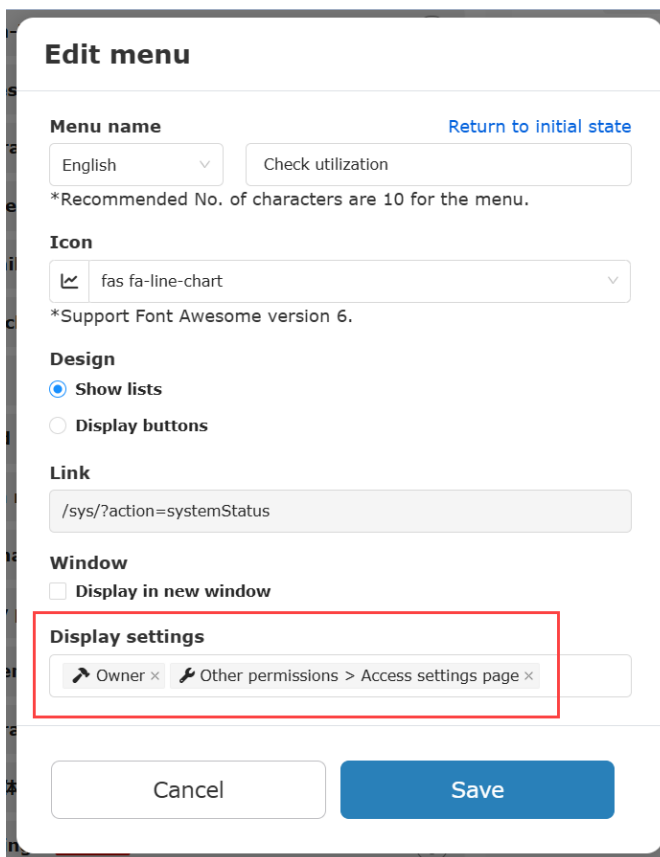

We would like to inform you about the changes to the Manage menu in ver. 2.30.
Please note that these changes are based on the content applied to the shared server (<https://lms.learningbox.online/>).
Please make changes if necessary.

▼ Details of the Changes

There is one change as described below.

1. Addition to Display Settings: Check Utilization

"Other permissions > Access settings page" has been added to the Display settings.

Item of the side menu	Check utilization
Changes	 The screenshot shows the 'Edit menu' dialog box. The 'Menu name' is 'English' and the 'Check utilization' button is visible. The 'Icon' is 'fas fa-line-chart'. The 'Design' section has 'Show lists' selected. The 'Link' is '/sys/?action=systemStatus'. The 'Window' section has 'Display in new window' unchecked. The 'Display settings' section is highlighted with a red box and contains a list of permissions: 'Owner' and 'Other permissions > Access settings page'. The 'Cancel' and 'Save' buttons are at the bottom.
Remarks	Permissions have been automatically added. If unnecessary, please remove it from the display settings.

*For instructions on how to operate the side menu, please refer to the following:
